Life in Spanish Texas could be both dangerous and boring, difficult and routine. Use your notes and chapter 6 in your textbook to review the living conditions in the Spanish colonies. Then pretend you are a missionary, soldier, townspeople, or vaquero living during the 1700s. Write a letter below to a friend or family member in Mexico describing what daily life is like in Texas.

The letter must fill the entire page. Be sure to use the Venn Diagram we created last week!
