

Activity: New Deal Research:

Become a New Deal expert on a particular New Deal Program. Guidelines and grading criteria are listed below.

1. With a partner research the program you were assigned and be able to tell the class:
 - a. When was it implemented? (10 points)
 - b. What did it do? (10 points)
 - c. How did it help people? (10 points)
 - d. Does it still exist? (10 points)
 - e. What did they do in Texas? Give examples. (10 points)
2. Make a New Deal PowerPoint. (20 points)
 - a. Create a PowerPoint for the above information.
 - b. Find at least 10 pictures to represent your New Deal Program.
 - c. Each slide with pictures needs a caption to let your audience know what/why the picture is important.
 - d. The meaning of the pictures should be clearly understood.
 - e. Use old clip art or pictures from the internet.
3. Make sure to be Historically accurate (15 points)
4. Work well with your partner (15 points)
