

**Directions:** Make 3 columns in your composition notebook. Label the columns: Freedmen's Bureau, Johnson's Plan, and Congressional Plan. Cut out the squares below and place them in the correct column. You may use your notes, or the textbook for help.

Ratify the 13 <sup>th</sup> Amendment	Create a provisional government.	Provided food, shelter, and medicine to freed slaves	Must ratify the 14 <sup>th</sup> Amendment.	Helped find jobs for freed slaves
Divided the South 5 military districts.	States must nullify its act of succession.	Acknowledge that the U.S. government could not pay its Civil War debts.	Provided freed slaves with an education to help them learn skills to help them make a living.	Helped former slaves face the challenges of freedom.
Ratified the 15 <sup>th</sup> amendment	Created schools for African American children.	White men must take the "Iron clad Oath" to regain the right to vote.	To gain right to vote, white males had to pledge their loyalty to the US.	Repeal state's Black Codes.
States had to write a new constitution that gave African American men the right to vote.	Some whites accused this group of meddling in matters that local leaders should handle.	This group was created by Congress.	The existing governments in the South were illegal.	Under this plan, Texas was the 5 <sup>th</sup> military district.
